

2023-SOUTH CREEK CALVARY CEMETERY TRIMMING CREWS-2023

**THANK YOU** on behalf of the South Creek Calvary Cemetery Association for your time and assistance in trimming around cemetery head stones as scheduled. Your efforts will help to maintain our beautiful cemetery grounds. There are (5) trimmers available, however volunteers may bring personal equipment as well. The Cemetery Association will furnish all fuel. The Co-chairperson is asked to contact the volunteers to arrange a mutual date and time for trimming. With a good crew, it should be possible to complete the work in one evening or a few hours. Please feel free to invite family members and spouses to help. **THANK YOU!! THANK YOU!!**
